SALLED TO-DAY.

The Municipal Court law provides for one all-night court, but what the Mayor desires is several of these tribunals. He want the city divided into districts at night, with a municipal judge sitting in each.

Immediate hearings, according to the Mayor, frequently will do away with the necessity of putting prisoners in Jail, and will reduce the tendency to use strew bonds.

Bethel, a civil engineer of Zanesville and prominent Democratic politician, bas lost his mind as the result of his intense interest in the campaign of W. R. Hearst. He was placed in the State-Asylum here yesterday.
